

# Campanula ‘Blue Bloomers’

## **Selling**

April - May

## **Features**

Rosette forming foliage with rich blue bell-shaped flowers in Summer.

## **Benefits**

Clump forming perennial, excellent in the middle of herbaceous borders. Eye catching, huge, blousy flowers; an excellent garden plant.

## **Story**

Introduced by Mike Dunnet of Blakedown Nurseries, Worcestershire, and grown on our site in Wychbold, Worcestershire.
