

Lavandula ‘Regal Splendor’

Selling

May onwards

Features

Bright green foliage with purple – violet flowers throughout Summer

Benefits

Deemed as the most beautiful and spectacular of the French varieties of Lavender. It is heavily scented, and creates a wonderful display when planted en masse. Attractive to bees and butterflies.

Story

A variety of French lavender, whose origins lie in hot, dry Mediterranean areas, where native forms have been found for the last 400 years.
